CITYLINE CORE

CITYLINE is a carpet tile collection inspired by the dynamism and structure of modern metropolises. With its four design variants – Rise, Edge, Grid, and Core – it reflects the architecture, perspectives, and rhythmic interplay of lines and shapes found in the city.

As a 50×50 cm tufted carpet tile, CITYLINE combines aesthetics with functionality. Whether in modern offices, public spaces, or hotels, CITYLINE brings the energy of the city indoors, creating spaces with character, depth, and an urban atmosphere. Core features subtle, central structures that create a sense of calm and balance.

作为一款 50×50 厘米的簇绒方块地毯，将美观与实用相结合，无论是在现代办公室、公共空间还是酒店，都能将城市的活力引入室内，营造出富有特色、层次感和都市氛围的空间。

“都市之源”以细腻的中心结构为特色，营造出一种宁静与平衡的感觉。
