We reserve the right to make technical changes while maintaining the service properties of the carpet. The goods delivered may have a slight deviation in colour from the colour samples.

ANKER, a long-standing specialist in carpets with headquarters in Düren, Germany, has been committed to textile floor design since the company's founding in 1854. ANKER carpets can be found around the world in countless office buildings, hotels and numerous public buildings, but ANKER carpets are also used in aero planes and high-quality premium cars. Besides creativity, ANKER sets benchmarks industry-wide in terms of sustainability innovation and a responsible approach to natural resources.

HATEMA, a member of ANKER carpet group.
