雾 境

# NEBA

雾境

NEBA 的灵感源自清晨薄雾弥漫的瞬间——光线穿透雾气，空间在朦胧与清晰之间流动。通过云雾般的随机结构与柔和层次，将这种介于虚实之间的自然意境转译为地面语言，营造出安静而富有张力的空间氛围。

NEBA is inspired by the moment when morning fog drifts through the air—light gently breaking through the mist, allowing space to shift between clarity and obscurity. With a cloud-like, organic structure and soft tonal layers, this interplay between the tangible and the ethereal is translated into a floor design language, creating a calm yet subtly dynamic spatial atmosphere.

NEBA ist inspiriert vom Moment, in dem sich der Morgennebel sanft ausbreitet – wenn Licht durch den Dunst dringt und der Raum zwischen Klarheit und Unschärfe zu fließen beginnt. Mit einer wolkenartigen, organischen Struktur und weichen Farbschichten wird dieses Spiel zwischen Greifbarem und Flüchtigem in eine Gestaltungssprache für den Boden übersetzt und schafft eine ruhige, zugleich spannungsvolle Raumwirkung.

- SolutionDyed – colourfast through and through**
- spinneret-dyed already during yarn production
  - outstanding cleaning properties
  - resistant to UV radiation and yellowing
  - environmentally friendly due to significant savings of fresh water, waste water, energy and CO<sub>2</sub>

- SolutionDyed – farbecht durch und durch
- spinndüsengefärbt bereits während der Garnherstellung
  - herausragende Reinigungseigenschaften
  - resistent gegen UV-Strahlung und Altersvergilbung
  - umweltfreundlich durch deutliche Einsparung von Frischwasser, Abwasser, Energie und CO<sub>2</sub>
