ANKER

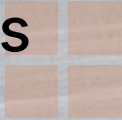

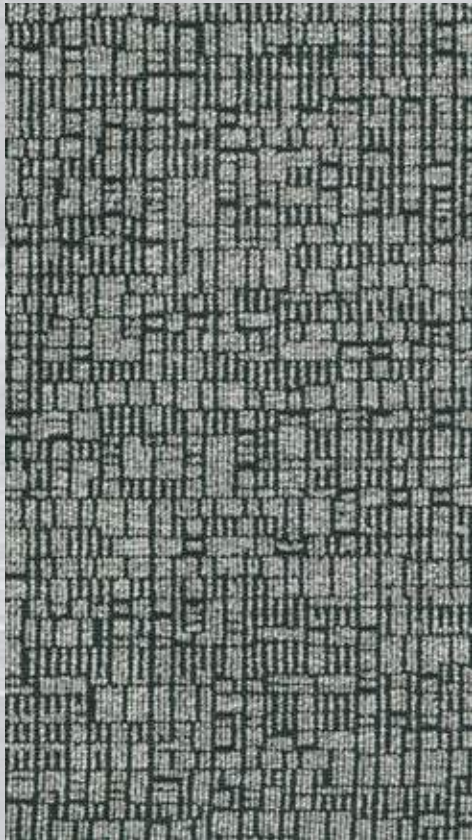

TEXRA™

The name TEXRA® is a made-up word based on the terms "weave" and "structure", composed of parts of the Latin translation (TEXERE and STRUCTURA) and thus corresponds to the ANKER naming concept and at the same time explains the product.

Pattern display

Each pattern carries rich meanings, just like every person's unique story. Our carpet designs aim to blend aesthetics and spirituality, adding endless imagination to your life.

Playful

Interaction

sparks creativity

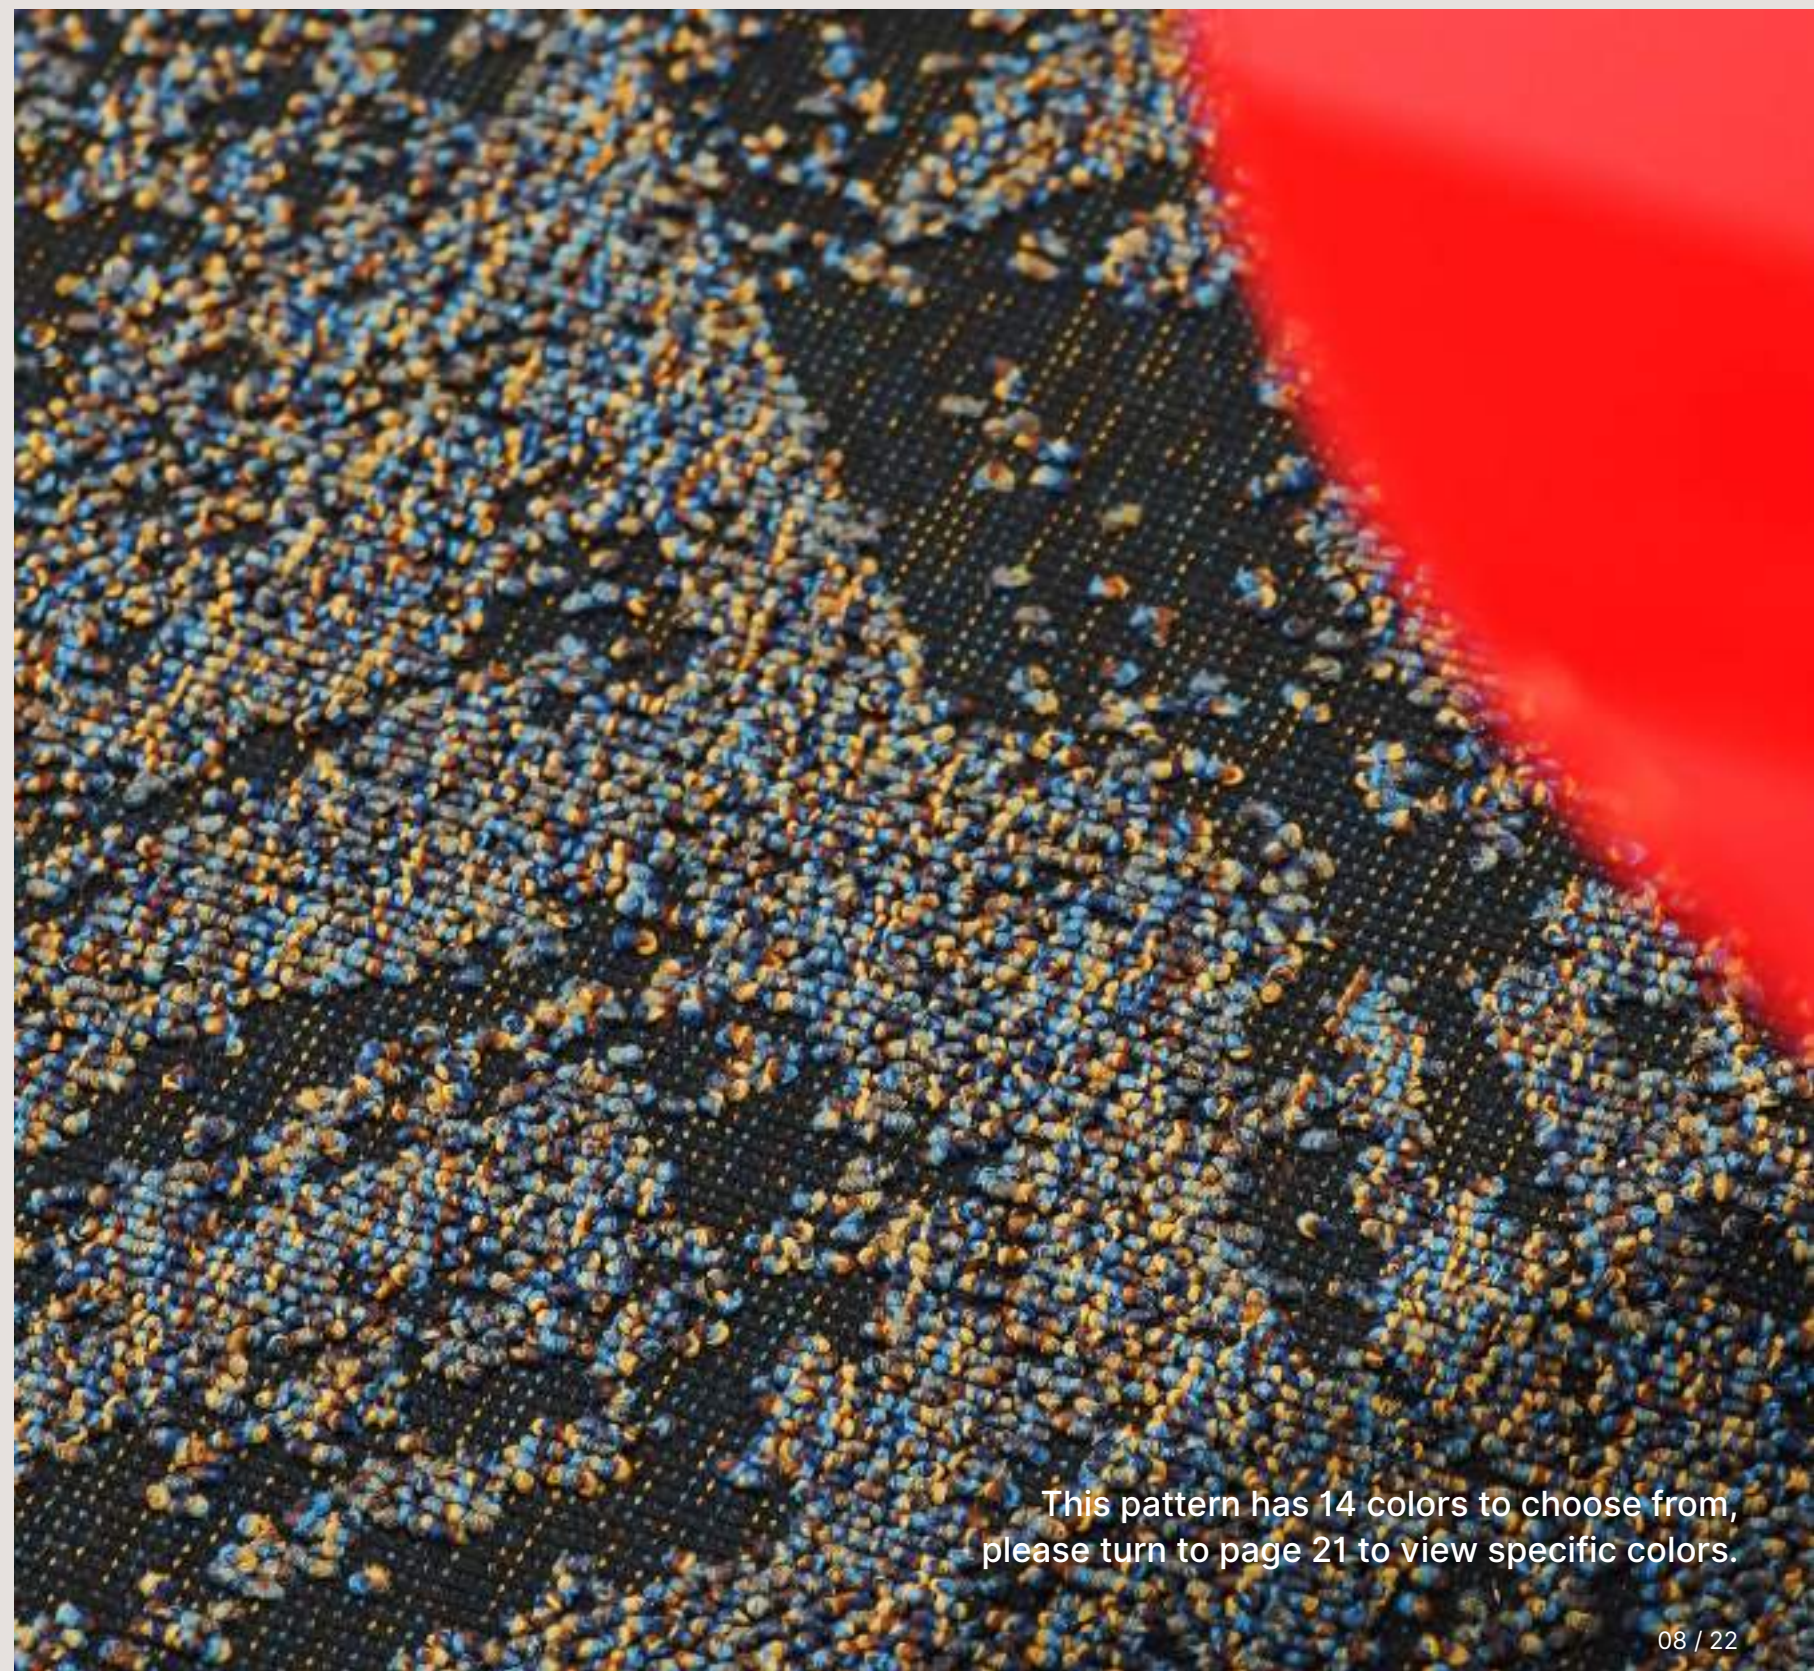

This style draws inspiration from
' the importance of play interaction to stimulate creativity '.

Through playing, games, playing and so on,
we can stimulate our imagination and creativity in a relaxed and free atmosphere.

Gentle Undulation

of the sea

This style is inspired by the 'gentle waves of sea water'.
The gentle sea breeze gently pushes the waves forward.

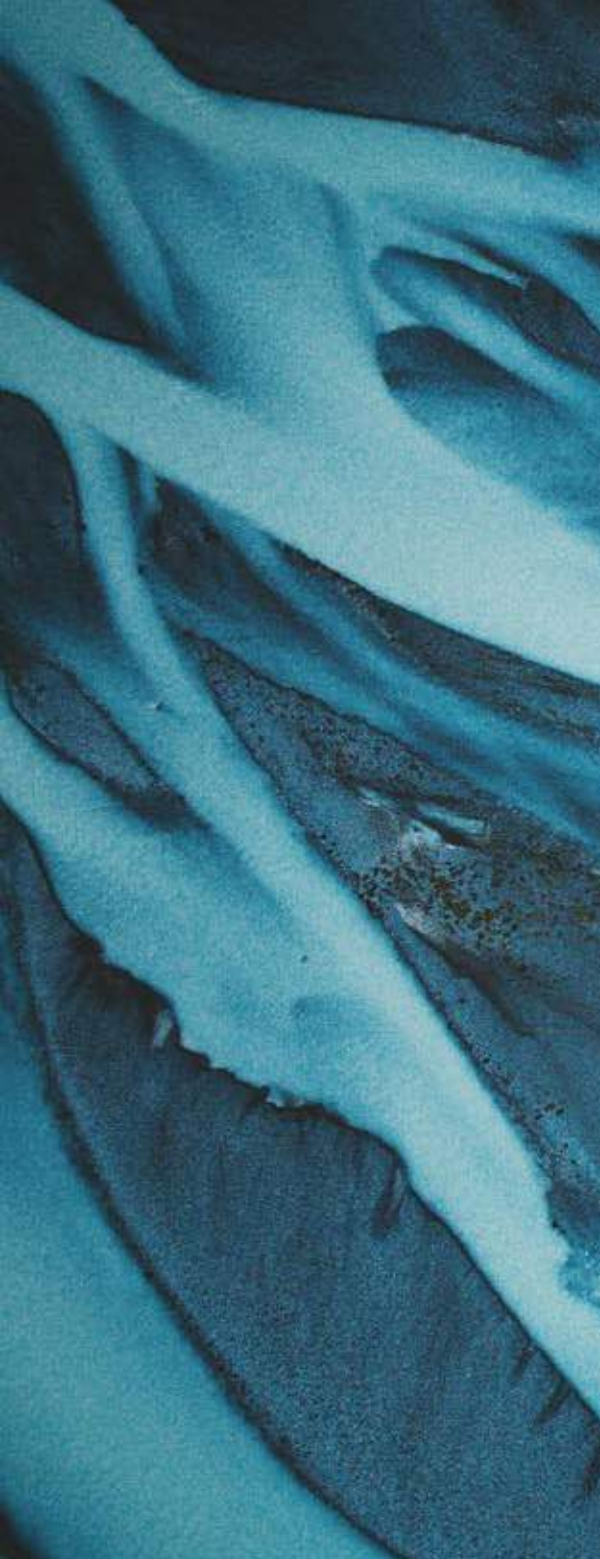

This kind of ups and downs of exercise brings people a sense of
calm, comfort and warmth, which helps to relieve stress and relax.

Refraction

of dreams into reality

This style is inspired by the process of
'transforming dreams into reality'.

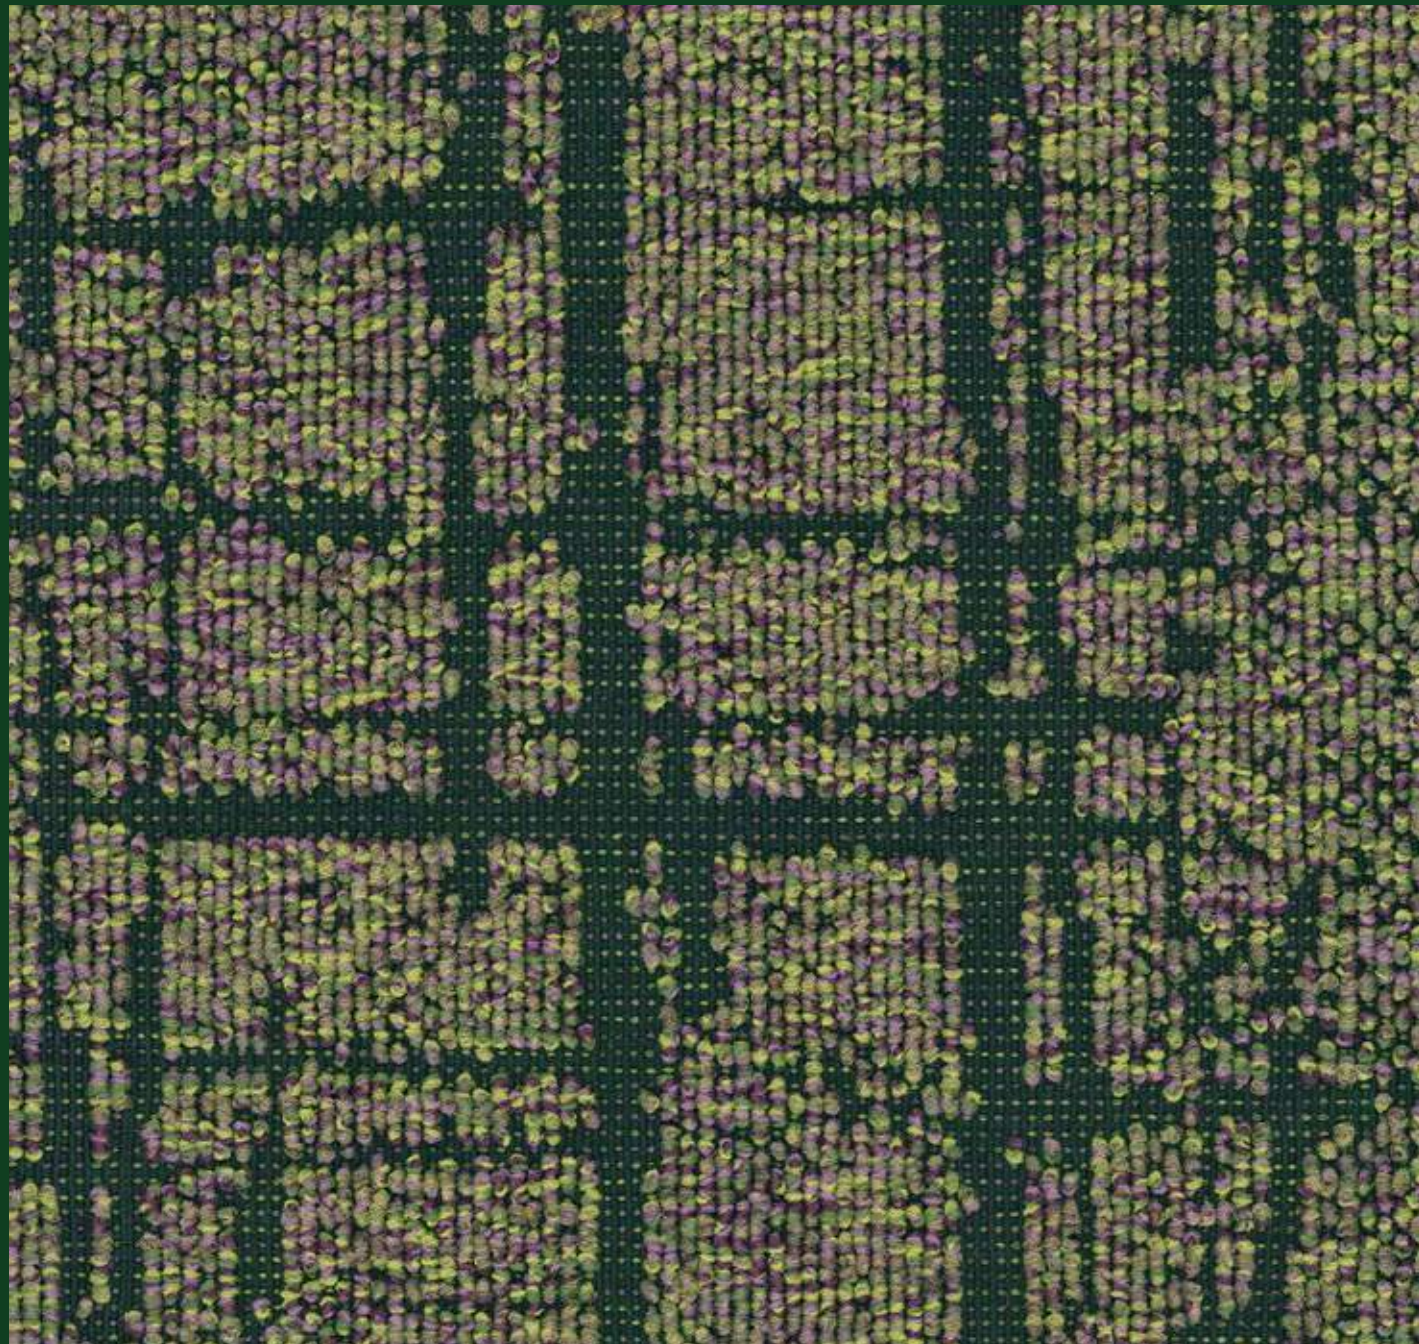

When we have a dream, it is often illusory and uncertain.
However, only through persistent efforts and actions can
we make our dreams become real and possible.

Harmonious Coordinates of nature

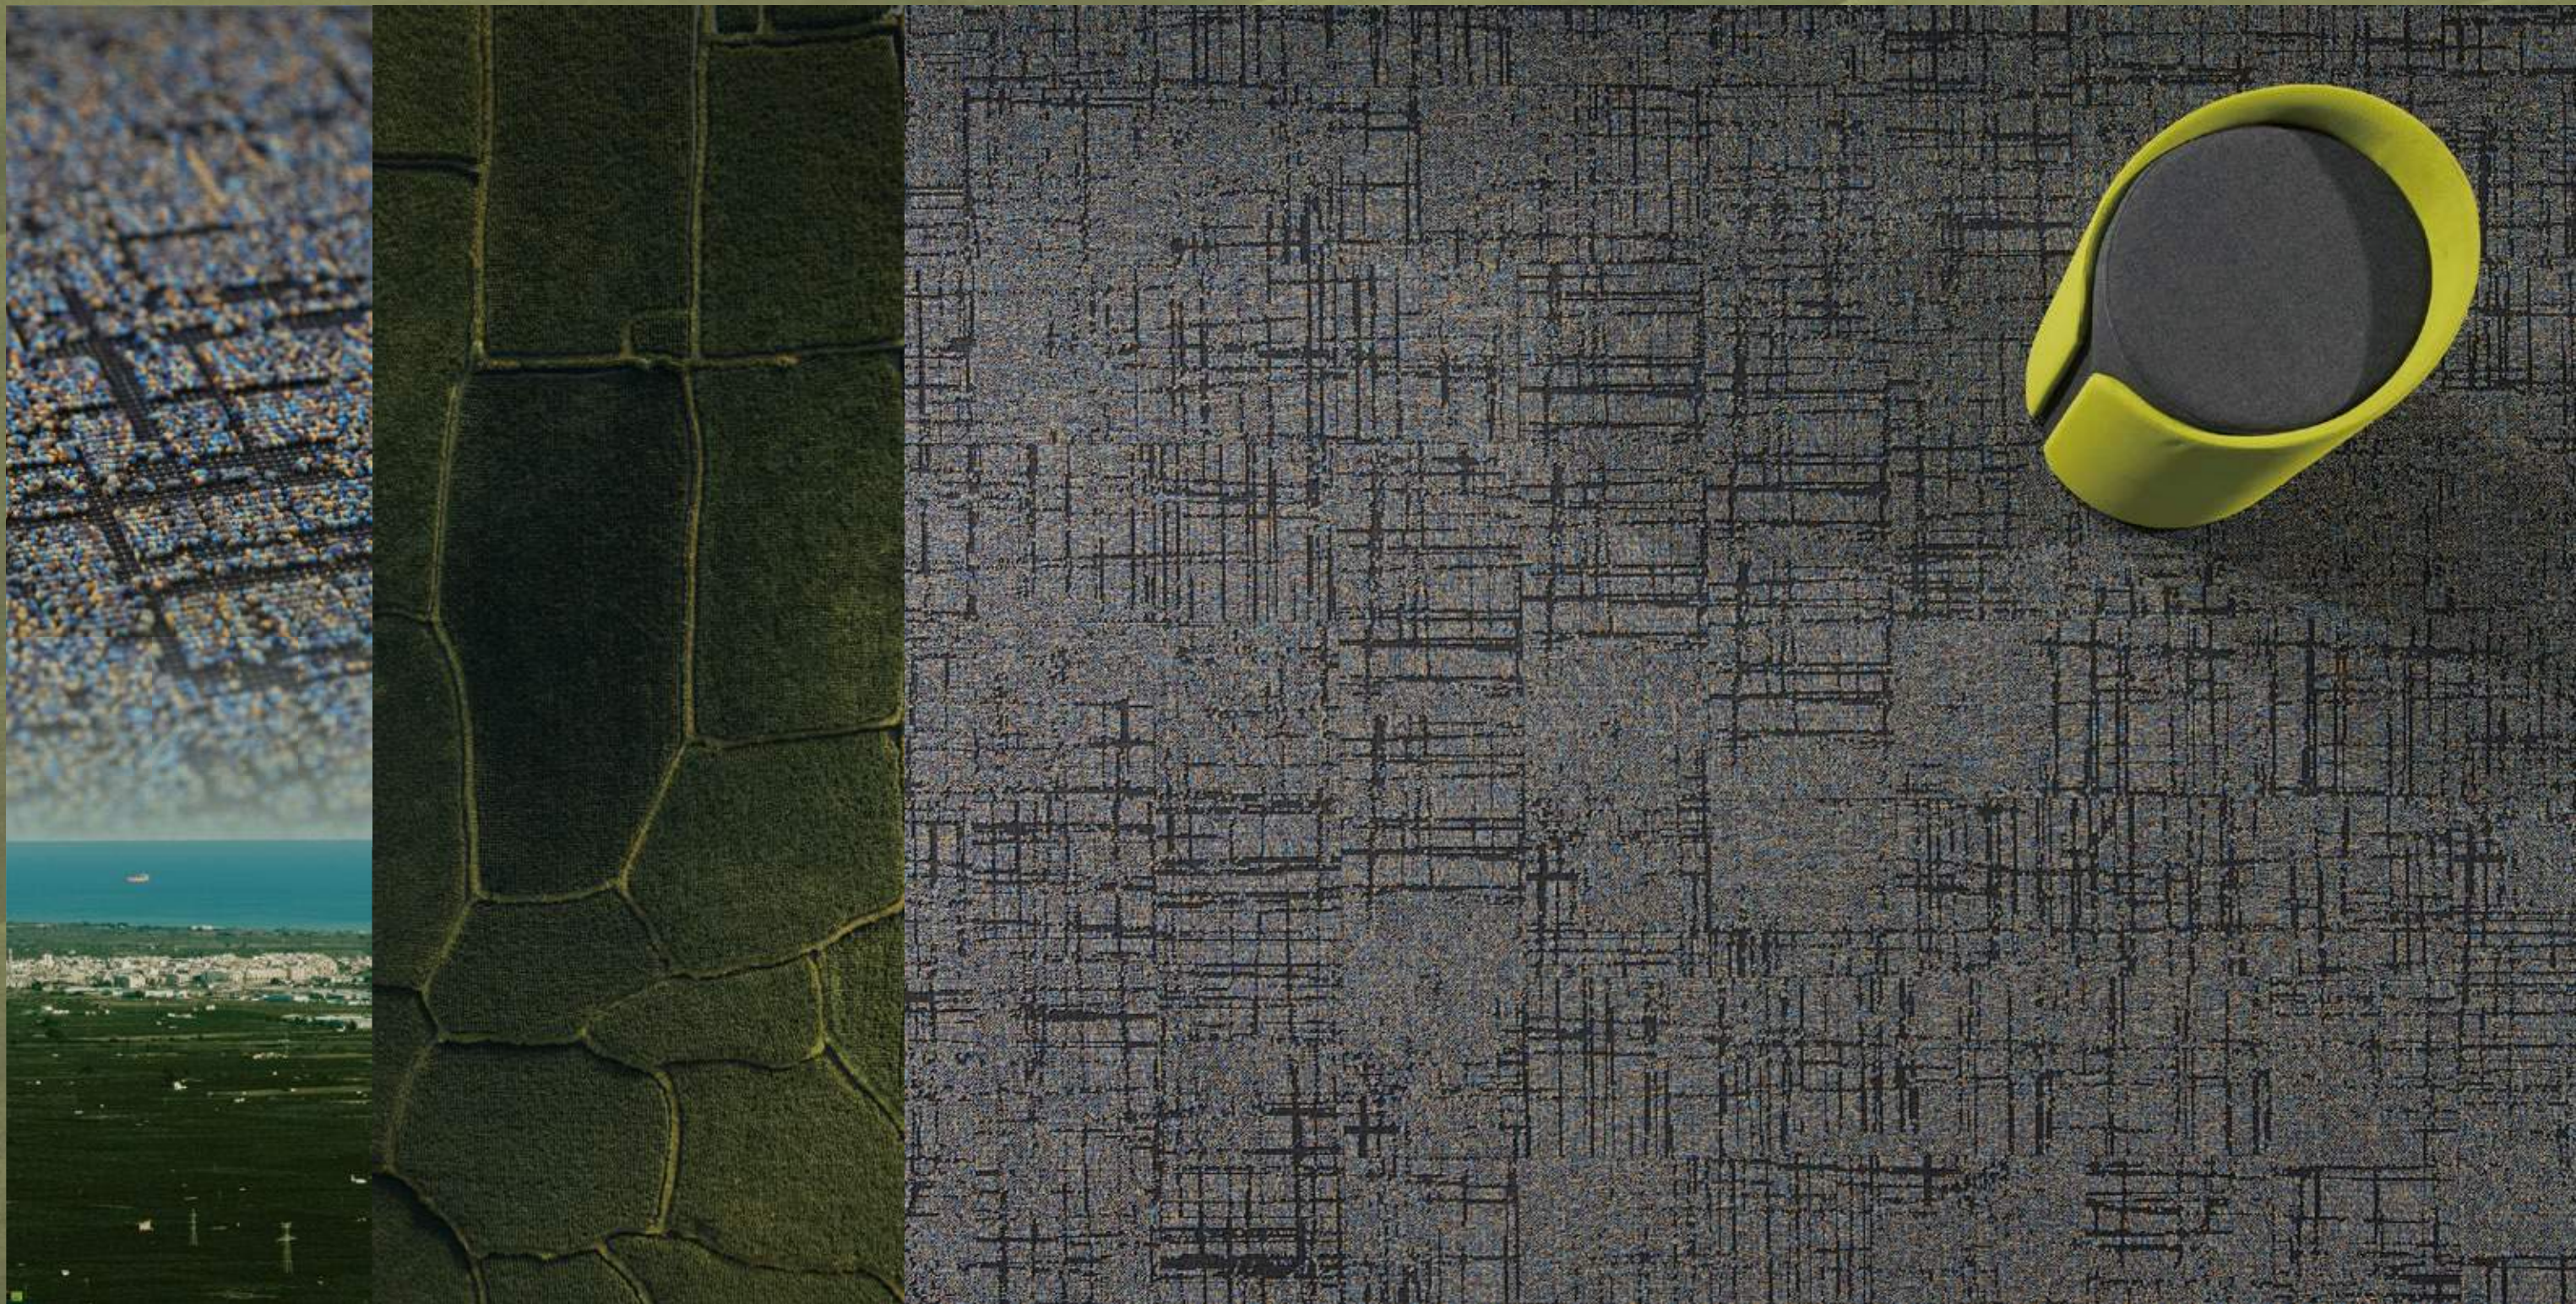

This style is inspired by the ' beauty of harmony in nature '.

All things in nature have their own unique coordinates.

Although they are intricate,
they can coexist harmoniously and depend on each other to form a
harmonious and unified whole.

Mirrored

radiance shines

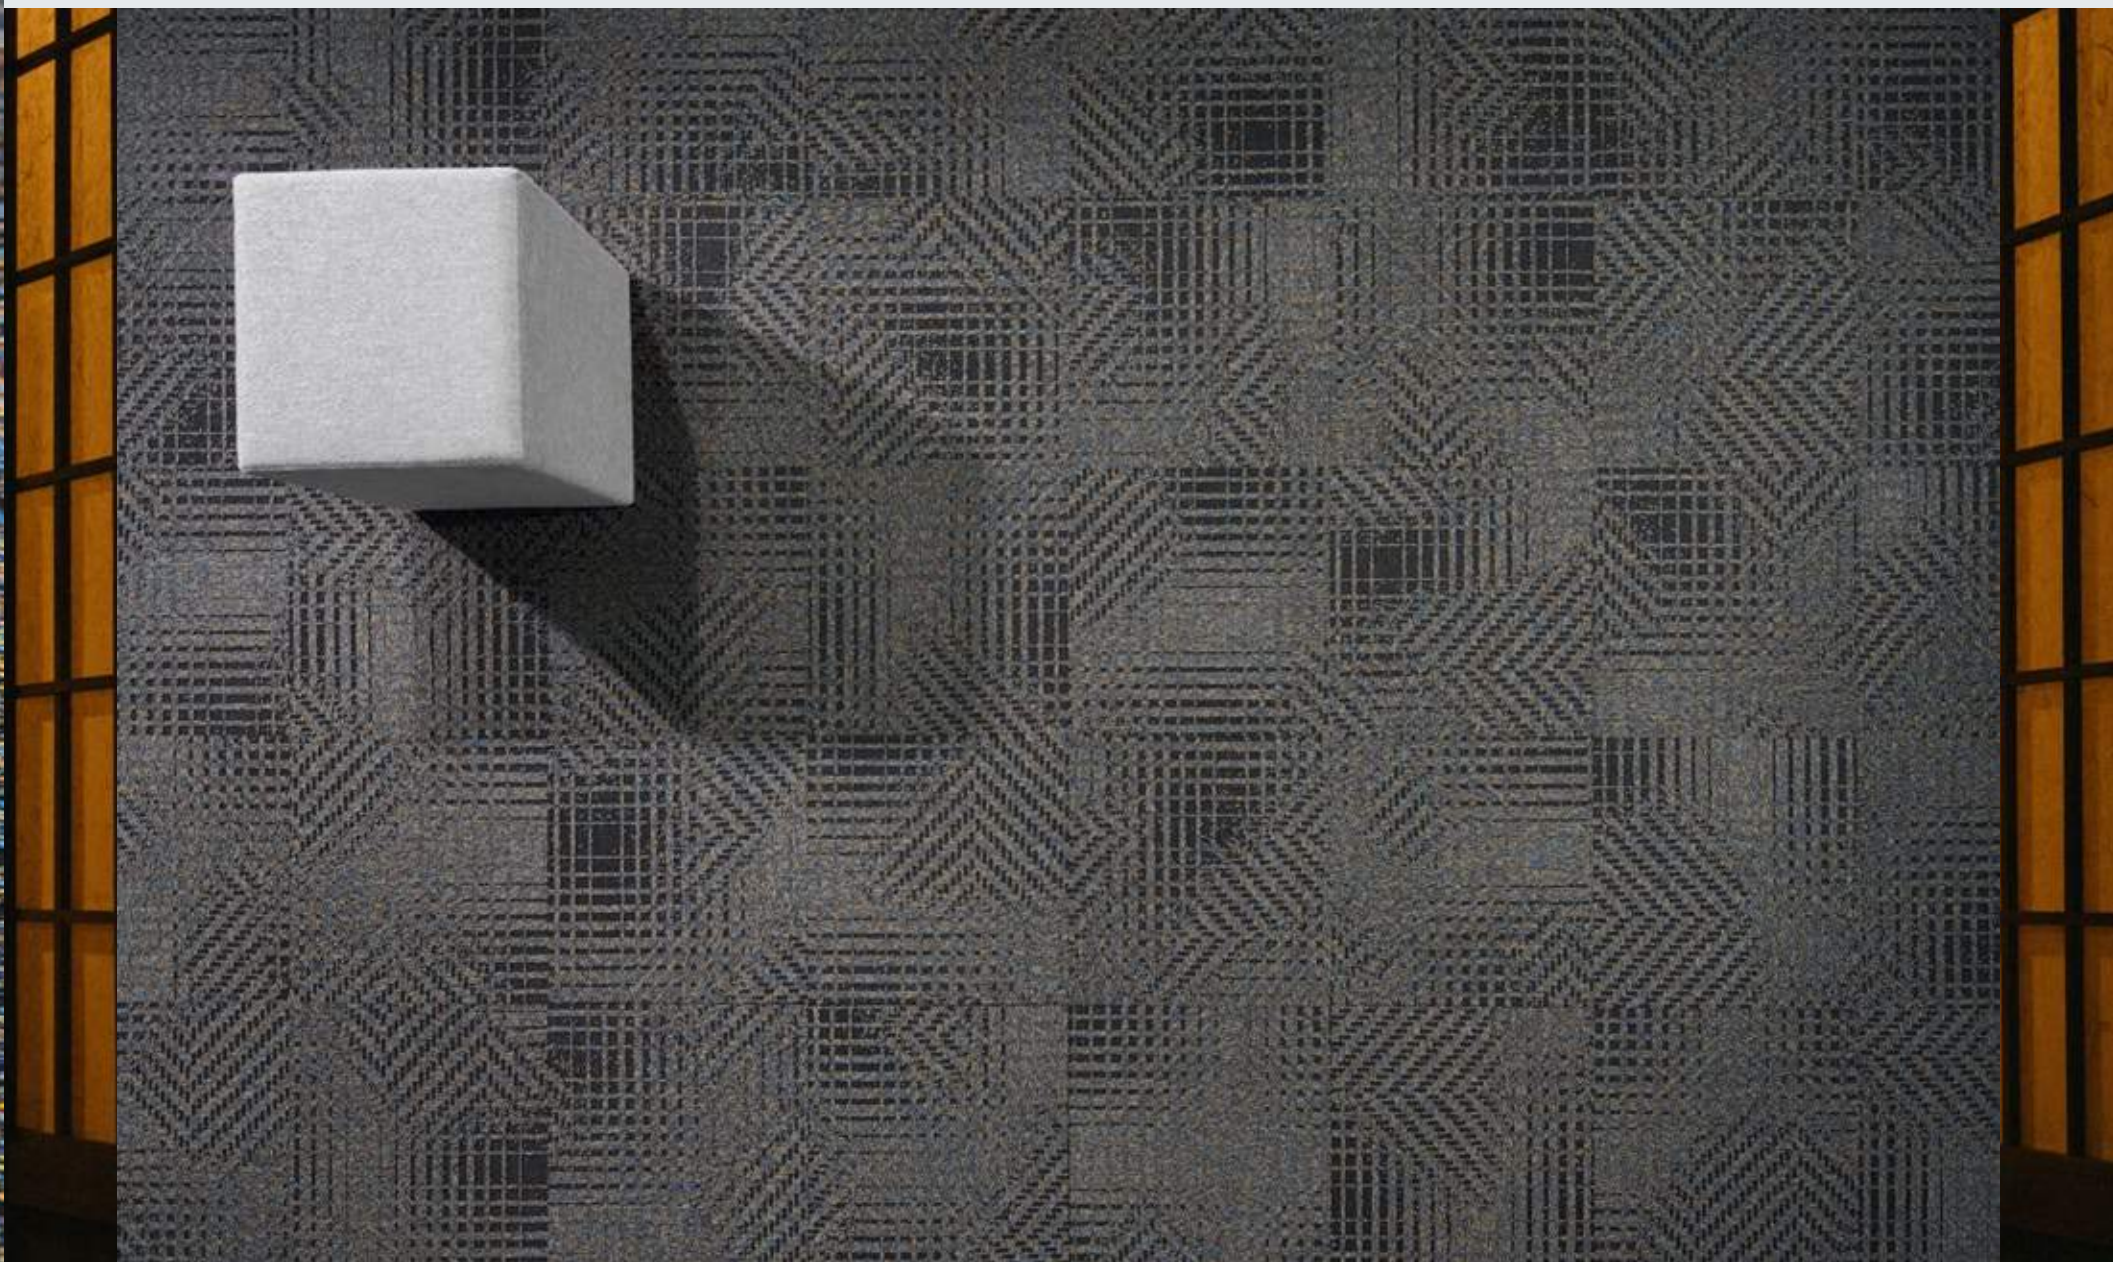

This style is inspired by ' beautiful light shining on each other '.

When we interact with others,
positive emotions and energy are transmitted to each other, creating a warm
and harmonious atmosphere.
